Mesha Rashi

Rahu moving in Mesha rashi from March 16th onwards requires to be extra careful about finances, pay bills on time, be careful about phone and email scams, if someone calls about payment, just call them with the number you have on your file, or search white pages for official number. Don't respond to suspicious email. April will bring some good news about relief from debts, some gains, but after 14th April you may travel some pilgrimage places and do some charity work, Jupiter moving into Meena rashi, you'll feel disinterested in things and drift in multiple directions looking for a purpose. You may get a leadership role from May till Mid July. Just keep working hard. After Mid July you may face some challenges at work. If you don't pay attention to work, emails communications you may have trouble from May 17 till June 27th. After that fever, ailments, stomach issues possibility, try to avoid arguments with your spouse, and children. You may have visitors in later part of July. August 10th onwards you'll have financial gains, friends etc., but due to mars you'll also have some losses, don't enter in to arguments with anyone at work, healthy debate is fine, but no arguments. September is the month to enjoy social standings, parties, love affairs, cordial relations with opposite sex. There might be addition in your family or meet someone new in your family. Beginning of October will create misunderstanding with your family members. Things will move smooth after October 16th in terms of career, promotions, something you wrote will be recognized and well rewarded, but stay away from things related to women, litigation possibility. November watchful about your words, you'll enjoy company of opposite sex but be watchful for later troubles. You'll have material gain enjoy till end of December, then you'll have increase expenditure, watch your words before you say anything. Lord Saturn transit from 18th January will help you to sail through. You'll gain confidence from middle of March 2023. Worship lord Skanda, Karthikeya or Ganesh to overcome troubles.

Vrishabha Rashi

Rahu moving into Mesha from 16th March will improve your social standing, and money flow but the Venus in April can bring some setback to your social standing so avoid doing things that can cause some issues to your name and fame. Mars requires you to work hard to achieve goals. Finally, you'll have success if you take important precautions. Jupiter in 11th house will give you promotion, success in area that you've been waiting for, May and June will be very successful, but with caution of increasing expenditure on entertainment, clothing etc.. Some of you could have some eye surgery or eye related issues from June 27th – August 10th. This period is watchful period at work, but it might bring new opportunities for you to travel abroad. Saturn moving in Kumbha rashi, requires you to avoid arguments with your boss, just listen to him and try to come up with plan of actions for desired results. From July 11th Saturn going back to makara will require you to change your job. You'll feel job market is very competitive. You'll have some ceremonies, parties in later part of July and beginning of August. From August 10th, avoid any kind of arguments and misunderstanding with your seniors, employers, and government department, some of you might see change in your positions, undesired expenses, difference of opinion, arguments with your spouse, business partner, could result into break of partnership etc. September, you'll have love, romance, addition to family etc., but at the same time avoid quarrels with your soul mate. From Mid-October you need to be watchful about theft in your home or travel. From November 13th onwards Stay away from sharp weapons, fire, poisonous animals and from everything that might risk your life. You might have depressions etc. You need to keep check on your expenditure and words you use after Mid-March 2023. Saturn's transit from January 18th will require you to pay attention to work. You can worship Goddess Mahalakshmi, Goddess Lalitha.

Mithuna Rashi

Rahu will bring some relief in later part of March 2022. If you are a student, then success in higher education is also indicated in March 2022. April you may have to visit to a foreign country which could be painful, you'll need to watch out for ailments, theft of luggage, also trouble with higher education. From mid-April Jupiter moving in your 10th house requires you to be task master. Failing to do so will fall in position and grace, this is the time to work hard, for next year where your work will be recognized but till then open your eyes and work hard, Saturn's moving in kumbha will make you change job frequently, or chances of long-distance travel could persist. You'll see some success at work after Mid-May if you work hard, things will be in your favor. Things will be a bit smooth after June 27th, and when Saturn retrogrades back into Makara from July 11th negatively affects your health, chances of surgery for some but with Mars in Aries this surgery if done early then things will be smooth without worries. From August 10th you'll see lots of pressure at work, things will be a bit difficult at work, health issues will prevail. You may travel abroad for a short time. Financially you'll sail through with support of many other planets. However, your spending will increase till end of year but your income flow, however year end will bring good news. You may receive good news about job change after October 16th. You might need to visit hospital, increased expenditure, and chance of dishonor and humiliation from Mid-November onwards. Saturn's transit from January 18th can give you long distance travel, distress, and worry. Death of someone close. You can worship Lord Krishna, Lord Vishnu.

Karka Rashi

Rahu in Mesha from mid-March will help you to regain your reputation at work, your efforts and struggle will be recognized. Mars will bring some ailments in the first part of the April, and finances will require some guard, Jupiter moving in Pisces, you'll visit temples, and perform religious ceremonies and in case of troubles Jupiter will save you 11th hour. Saturn moving in 8th house will also require you to take care of your health, you may not get desired support from your friends, the thing will continue till mid-July but then when Saturn goes back into Makara you'll have differences with your business partners, and spouse. After mid-August you'll have success again in your life, with the push of Jupiter you'll rock at work, much awaited promotion. You'll make new friends. You'll gain from siblings. But from mid-October you'll need to drive carefully, avoid unnecessary expenses, health needs special care, money flow will be there but need to be watchful about health. December will bring differences with spouse with some financial gain till middle of March. Saturn's transit from January 18th will bring 2 and half years panoti – or dhaiyaa, be careful about your health but if you develop interest in meditations these problems can be avoided. You can worship Lord Shiva.

Simha Rashi

Rahu moving in Mesha rashi from mid-March if you are a student, promising time concerning higher education. You may travel abroad and be more spiritual. We'll advise you to avoid arguments with co-workers. In the month of April to mid-May avoid using harsh, bad words to your siblings, don't engage into fights with your siblings. Jupiter entering Pisces from mid-April will make you suffer fatigue due to overwork, suffer due to unnecessary travel, avoid speculations as this could bring heavy losses in investment, but if your Janma kundli favors then this is avoided but still avoid speculation, Saturn moving in Kumbha from last week of April till mid-July disturbances in married life. While this period is smooth for salaried individuals, some issues in business matters persist. Make sure not to have any differences with partners and spouse. August till mid-October is the time to work hard even if you have bunch of struggles, and you'll have success in the end. You'll have success from October onwards at work, with friends etc, but during the year end you'll have to work hard. Things looks good till March 2023. Saturn's transit into kumbha from January 18th can increase differences with your spouse and partners. You may worship lord Suryanarayana, chant gayatri mantra every day.

Kanya Rashi

From beginning of April, you'll have to have misunderstanding with your spouse. There is a chance that your enemies will increase, and you may even get involved in fights with your business partner. April 7th onwards, if your natal mars (in your kundli) is very good, you'll conquer your enemies, you'll see success in your undertakings. If you are caught up in any court case, you may expect a judgment that would favor you. Jupiter moving into your 7th house from April 13th, will give you the light at the end of the tunnel after a grueling period of dejection and frustration. You'll get stability in your life, if you are looking for your soulmate/marriage, this is the good time to get married. But asthma Rahu will give you trouble with respect to your health, if you are traveling make sure to eat healthy food, lot of mental distress would be there along with unnecessary fears, but Jupiter will save you at 11th hour. Saturn moving over 6th house from last week of April till mid-July will give you success over enemies, but watchful about one of your employees who could be troublesome for you, and you might have to settle for out of court settlement. May and June will bring heated arguments with your spouse, and drive carefully in June and July, there can be a danger to your life, but Jupiter will try to save you 11th hour. Avoid arguments with your father or teacher in the month of August and September. If you have not paid your taxes in time, this could bring an audit alarm, including discrepancies in tax form. From October, you'll see obstacles initially but later you'll find success. From mid-November again you'll have to keep calm and be nice to your father and/or a teacher, Things will improve after middle of March. Saturn's transit from January 18th will give you success, victory over enemies. You can worship Shri Lakshmi Narayana, or Krishna.

Tula Rashi

Beginning of April you'll have trouble with your children, and long-term investment if any. You need to keep calm and think twice before you speak or write else you may lose your glory. Jupiter move from April 13th you'll have trouble with enemies, people will take you too lightly, that you need be watchful and try to act nicely. You'll feel you've lots of unfulfilled desires, so best thing is to do without expecting anything in return. Saturn moving in kumbha, in the last week of April, you'll start experiencing issues with spouse and business partner. Any investment or speculation in stock market should be avoided at least till mid-July. Things will improve in May and June for your career, if you are employed there is a chance of promotion and win over enemies. In the month of July, you may have to travel but travel will not be good, you'll have differences with your spouse and partner, think with a cool head. From the 2nd week of August, you'll need to take care of your health, there is a possibility of accidents, and surgery. Drive carefully, avoid anything that could be risk to your health and life. After October 16th you'll have differences with your mentor, friend, philosopher, and a guide. Mentally you may feel worried and disappointment most of the time. Some of you may also have to work in an uncomfortable work environment for a while. Work hard to maintain your position and respect at work or in your field of profession. From mid-November till year end you'll need to take care of your health, eat healthy food, avoid parties. Saturn transit from January 18th 2023, will increase worries about your long term investments, and quarrels with spouse and family. You can worship Goddess Lalitha devi, or Durga devi.

Vrischika Rashi

Rahu moving to Mesha rashi will increase your wealth accumulation. If you are in business, you'll be successful in some foreign venture. Any pending court cases in your favor, easy win over enemies. The 2nd week of April will have some rough patches with trouble from old enemies, but Rahu will help you concur them, but you need to work hard in your profession to get more mileage. Additionally, Jupiter will help you from April 13th onwards will help you gain knowledge, addition in family, long term investment and long-standing desires will be fulfilled. Saturn move from last week of April till mid-July you need to be careful about risky investment, and chances of accident and health troubles, you'll make your friend enemy. Try avoiding conflicts at home and work. Mid-July till 2nd week of August will be easy and then after 10th of August you'll have mental pressure, tension, differences with spouse, partners, and troubles during travel. Some of you may lose riches due to indulge in unnecessary things, endeavors. From mid-October till end of the year requires strict watch on your health, avoid any aggressive driving that may cause accidents. Overall Jupiter will try to save you at 11th hour. Keep watch on your finances from November 13th to 14th March 2023. This requires controlling your anger. Saturn transit can cause trouble at work, pay attention to work and if you are planning to change Job, you can do it sooner than later. You can worship Brihaspati/Guru.

Dhanush Rashi

The Rahu moving in Mesha rashi from mid-March will bring income but at the same time lots of mental pressure and grief, you may have to deal with an issue with your child. Things will ease after the first week of April, your struggles will pay off now, you'll buy some electronics gadgets. Life will be back on track with respect to your business and profession, your writings (Emails, and documents) will be recognized. The Jupiter moving in Mina rashi from mid-April will make you soul searching, and you need to prepare yourself for next year for career building and financial prosperity, but you need to work hard this year. Saturn moving in Kumbha for a brief period between last week of April to mid-July this will be a good period again and brings relief but after that you'll have to face trouble with your long term investments, but don't touch it if it not required to touch, things will improve after 2nd week of August, and you'll win over enemies, and whatever you were working to achieve from a long time you'll achieve. October will be a testing time for your relationship with your spouse and partner, take things lightly and don't enter arguments. If traveling be careful. Things after November 13th will be better, till March 14th, 2023. Saturn transit from January 18th will also give you success. You can worship Lord Brihaspati, Guru.

Makara Rashi

Rahu moving into Mesha rashi will be not so good for students, they need to be diligent about their studies and for those who wants to deal into property or buy a house you may end up selling low or buying high or may not buy right property where properties are appreciated quickly. So, you need to be very watchful for whole 2022. Jupiter moving into Pisces from mid-April a strong sense of dissatisfaction and a feeling that something is missing in life, which you'll search frantically. It is the time for putting effort for study of books of knowledge which can help calming the mind and giving solace. Time to work on improving communication skills. Saturn moving in Kumbha from the last week of April till mid-July will require to work hard as far as career and Job is concerned, for businessman your collection will not be good, if you are living away from your native place, this is not the best time to visit your native place. You'll make bad decisions related to property, land etc., if you are a student make sure you don't want to miss your project submission date. August will bring worries about your children; you'll spend unnecessarily in entertainment. You may develop troubles in your stomach. Things will improve for a brief time from mid-October till mid-November, you'll have a good income flow and a relief from trouble, if you are waiting for some court cases, results will come to your favor if your natal janma kundli supports. Then till March 14th 2023 & Saturn's transit will be the last part of sade-sati you'll need to pay attention to your family matters, finances. You can worship Lord Shanischara.

Kumbha Rashi

Rahu entering in Mesha will ease thing a bit, you'll see success, only if you don't deal with aggression. You'll gain from foreign lands. Jupiter entering to Pisces in mid-April will be favorable too with the Saturn moving into Kumbha from last week of April till mid-July will bring some struggle as you'll be still in sade sati (seven and half years of Saturn), so you will have some testing times, but Jupiter and Rahu will come to your rescue. After July, retrograde Saturn might bring some old health related issue back, you might need to visit hospital, but worship of Jupiter and Bhagwati will make those problems go away. From August be careful in dealing with your land matters, your relationship with your mother may spoil, so don't use harsh words. This might cause enmity with your friends; students need to be very careful not to use aggression and pay attention to study. Mid-October will bring worries about your children, any long-term investments you have, and you'll spend unnecessarily in entertainment. If you are in love, you may spend lavishly on your love, so be careful about unnecessary expenses here. Again, from mid-November till Mid-March 2023, take care of your mother and family, don't do hasty land decisions. Saturn transit from January 18th avoid depression, differences with spouse and partners. You can worship Lord Mahadev, or Vishnu.

Meena Rashi

This year you'll enter brief sade sati period during last week of April to Mid-July. Rahu's moving in Mesha will increase financial issues in your life. Something or other will keep you disturbed. You may have eye troubles this year, so if you are trying to get eye surgery done, you may want to do it quickly than do it later. Jupiter entering in Pisces in mid-April mandates you to increase your spiritual activities. You want to start meditating to concentrate in your work. You'll go through troubled times till first week of August with multiple things due to Saturn entering Kumbha from last week of April till mid-July. You need to make sure you pay attention to your work and work hard then Saturn will give you success even in sadesati but it requires lots of work. Things might improve for a brief period between 2nd Week of August till Mid October. Where you'll have some relief, and if you did work hard before you will get some promotion and your work will be rewarded. Things might be bit rough from mid-October till mid-November with respect to your family life and studies (Students). If you are in market to buy a home or sale a home or property, you are suggested to wait till mid-November and then things will be in your favor again and from there Mid-March 2023, you'll have a good success. However, Saturn's transit from January 18th will be the 1st phase of sade sati can bring depression, distress, unexpected expenses. You can worship Lord Brihaspati or Guru.

ॐ सर्वे भवन्तु सुखिनः सर्वे सन्तु निरामया,
सर्वे भद्राणि पश्यन्तु मा कश्चिद् दुख भागभवेत्।
ॐ शांतिः शांतिः शांतिः

OM sarve bhavantu sukhinaḥ sarve santu nirāmayā,
sarve bhadraṇi paśyantu mā kaścid dukha bhāgabhaveta|
OM śāntiḥ śāntiḥ śāntiḥ
